

ZONA RURAL

Diagram illustrating the placement and dimensions of a rural zone sign (ZONA RURAL) relative to the pavement edge (BORDE PAVIMENTO).

The sign is a circular symbol with a crosshair, mounted on a vertical post. The dimensions shown are:

- MINIMO 1.90**: The minimum horizontal distance from the pavement edge to the center of the sign.
- 1.30**: The height of the sign's center from the pavement edge.
